WINE SPECTATOR AWARD

The Blue Llama Jazz Club has consecutively held the "Best of Award of Excellence" from Wine Spectator magazine since 2020, when we officially launched our robust wine program.

This award recognizes restaurants whose wine lists display exceptional breadth across multiple wine growing regions and/or notable vertical depth of top producers. Along with excellent presentation, these restaurants are destinations for serious wine lovers, showing commitment to wine, both in cellar and through their service team.

This year, Blue Llama Jazz Club is among only 10 restaurants in the state of Michigan to receive this prestigious award, and we are proud to provide globally made and curated wine right in downtown Ann Arbor!
